

A world map with a white background. Countries are colored either blue or grey. Blue countries include Canada, the United States, Mexico, Argentina, South Africa, Australia, Japan, and several countries in Europe (Ireland, United Kingdom, France, Germany, Poland, Czech Republic, Slovakia, Hungary, Austria, Switzerland, Italy, Spain, Portugal, Greece, Turkey, Bulgaria, Romania, and the Baltic states). Grey countries include Russia, China, India, and most other nations across Africa, South America, and Asia.
